

R House Property Management Ltd

The directors have decided to put the company into liquidation. A creditors meeting will be held on 24th June at 2.30pm in Plymouth at a venue to be decided.

If you are a landlord

Once we are appointed we will look into the client funds held and try and return to you what is yours.

Additionally, a new owner should be able to run the business in a more organised and professional manner so you do not have these problems in the future. The Torpoint lettings business has now been sold to Options Property Management (subject to contract).

If you are a tenant

If you are a Torpoint tenant, please contact Options Property Management on 01752 342727 to arrange payment of rent monies.

Plymouth tenants should wait for further information or contact your landlord.

If you are a creditor (which may also mean you are a landlord or a tenant)

We will write to you shortly with a notice of the creditors meeting and a claim form for you to complete.

There is nothing else we can do for you at the moment.

Finally

Please feel free to seek your own independent legal advice.
